Market Analysis

Industry Analysis

Market Trends

Target Market

REMEMBER

The most important component of an effective house flipping business plan is its accurate marketing analysis. If you are starting on a smaller scale, you can do marketing analysis yourself by taking help from this house flipping business plan sample or other house flipping business plans available online.

To unlock help try Upmetrics!

Industry Analysis

TIP

Last year saw the largest increase in house flipping in 8 years. Over 200,000 single-family homes and condos in the United States were flipped, up 2 percent from the previous year and the highest in over 10 years.

The number of homes flipped represented over 5%

Pricing Strategy

TIP

Part of the business strategy is to ensure that we work within the budget of our potential clients to sell excellent properties/houses to them. It is the practice in most parts of the world for properties to be valued by professionals based on the area the facility is located, the type of facility, and other factors.
